

INJURED or just after BETTER HEALTH

Upto 20% discount on OSTEOPATHIC TREATMENT for CWTC members

What is osteopathy?

Osteopathy is an established primary healthcare system of diagnosis and treatment that recognises the role of the musculo-skeletal system in the healthy functioning of the body...its a 'hands on' natural approach

A perfect treatment for sports-people ?

Modern living & *sports training* puts stresses and strains on all of us, at work, at home as well as during our 'play'. It is important to assure we don't allow these stresses and strains to affect our wellbeing.

It is our clinic's philosophy that whatever your complaint, we will guide you onto the path of recovery.

At Chichester Osteopaths we will do our utmost to help improve your general health and help you stay in great shape for many years to come!

What can we treat?

- Back and neck pain
- All sports injuries
- Repetitive Strain Injury (RSI)
- Sciatica
- Pregnancy
- Children
